JUNE 2013

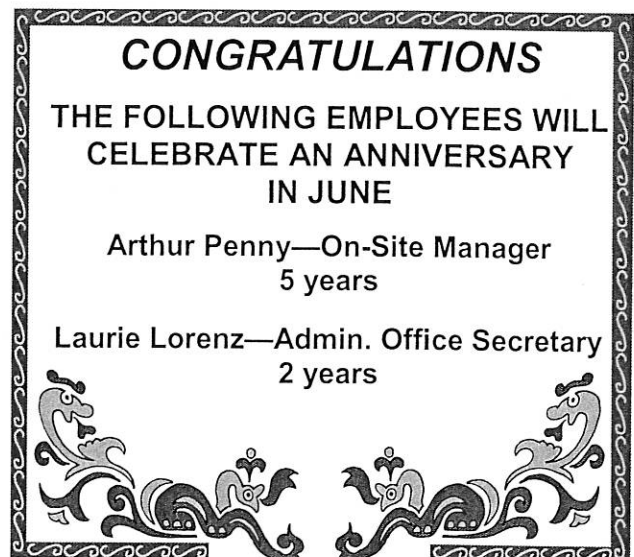

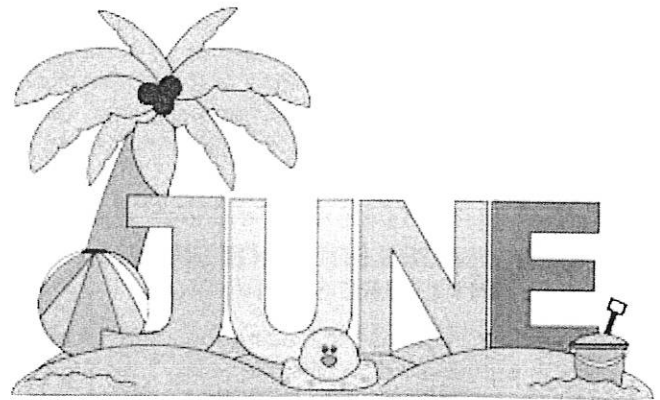

PRESIDENT'S MESSAGE

Well, it's that time of the year again, when many of our friends and neighbors have headed north for the summer months. Let's all hope and pray that everyone has a safe trip north, as well as their return trip in the fall.

Now, that we have more open space we can continue to make repairs and maintain what we have. For those of us who are here all year, please be patient if through the summer there are some projects that may cause an inconvenience.

Respectfully,

Bob Ipri

Colonial Court

All is finally quiet back at Colonial Court; no more drilling or digging. By the time you read this our sewer relining should be complete in all 13 stacks. We're good for another 50 years!

Last month's ladies luncheon was held at Lee Roy Selmon's where several of us enjoyed their famous peach cobbler. This month's luncheon will be just down Tyrone Blvd at the Macaroni Grill on Monday, June 3rd.

There are about 3 locations around our building where the night blooming cirrus is growing. Several of us have been keeping an eye on their progress and hope to report seeing them in bloom about 10:30 some evening in late May. Eleanor Lukes tells me there are more in other locations around the Sea Towers property.

Mother's Day was properly observed here at the "Court." I saw several bouquets of flowers or fruit being delivered, and heard reports of lovely dinners/lunches.

Our birthday list for June is a big one; Frances McElwain, Sandra Lavigne, Margy Bross, Leo Harrington and ELEANOR LUKES WILL CELEBRATE THE BIG 90!!! Good wishes go out to all.

I'm sure you've heard it before, but today is the oldest you've ever been, yet the youngest you'll ever be, so ENJOY THIS DAY WHILE IT LASTS!

That's all the news for now.

The View from Hamilton House

Well, here we are again; summer, when the early morning hustle and bustle in the pool and on the tennis courts settles down to a southern drawl, and the dwindled number of card players reunite for the season, during the day and in the evening. The billiard room is ominously quiet many times during the day, but evening still brings a few players.

We still see some Hamiltonians about. Will and Carmen, Theresa, Gerry, Sue and I, and a newcomer to the tennis courts, Kathy Price, will be out there chasing down drop shots, firing winners down the line and perfectly placing impossible-to-get lob shots. Hey, we can dream.

In the card rooms, Mickey and Joan are among the summer players. And we'll see Bob Ipri dealing Texas Hold 'Em – until he goes bust and shows up in the billiard room (on occasion). OK, a lot. But Bob's not one to complain. Marie brings her quiet stealth to the poker table. To play at her table we have to agree not to tell Bob how much she wins. On the other hand, we don't have to worry too much about telling on Bob.

For a smattering of news on this relatively quiet front, Bob and Marie are in Pennsylvania from June 1st to the 11th. They'll be at their granddaughter, Allison's, high school graduation and seeing her off to Kutztown University in Pennsylvania.

A funny thing happened to me. It was a good life lesson and it gave me a little insight into the age old question: What do women really want?

John Gray, author of the megahit book, Men Are From Mars, Women Are From Venus, at one time produced an audiotape on man/woman communications. I was listening to a section in which he said that men are too quick to offer solutions to women who just want to vent and just be heard. He said men should just listen and zip it.

About then the front door slammed and what looked like a Tasmanian Devil came whirling in. Susan began to sputter. It went on. I just listened. Zipped. Did not say one word. Later than evening I happened to glance at Susan and found her looking at me with this adoring look.

She said, ever so sweetly, "I love the way we can talk." Thank you, Dr. Gray.

"The Gem of Sea Towers"

Ah June. I hope it's as pleasant at Sea Towers as it is here in Philly. Ronnie and I are getting a bit of the Jersey Shore and enjoying spring in all its glory. Ronnie's got me digging and planting around the place. Later this month we'll watch summer come in. (love that summer solstice)

June is known for the large number of marriages that occur over the course of the month. According to one etymology, June is named after Juno (Hera). Juno was the goddess of marriage and a married couple's household, so some consider it good luck to be married in this month. I guess Ronnie and I are lucky since we too were married this month.

We have some travelers this month. Al and Amy Autenrieth are visiting Tennessee to see their oldest grandson Michael and his wife Christine. Then they motor to West Virginia where they watch their youngest grandson graduate Magna Cum Laude from the U of WV. In addition to that, they managed to squeeze in their 57th wedding anniversary. Sounds like a wonderful time.

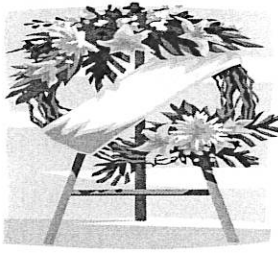

In addition to the Autenrieth's, Ken and Marguerite Franks are in the midst of a two month trip to Texas where they helped daughter Kim celebrate the Big Five Oh. Grandson Garrett graduates from high school and readying for LSU in the fall. While in Texas, the lucky pair will take a side trip to Albuquerque and Santa Fe.

Allan Redmond had a grand 90th birthday celebration recently. It was almost a week long family celebration with his 3 daughters and their families. Included in the group was a 7 month old granddaughter who Allan says was the star of the show. They went on a dolphin cruise, walked the beach and enjoyed some fine restaurants. Fran Keidel got the Columbia residents together for an impromptu birthday cocktail party on the deck (complete with birthday cake).

I can't wait to see the new furniture and improvements to our lobby. I understand that we have a red white and blue type of motif. We really have a beautiful building with a hard working bunch of governors and helpers.

As always, I appreciate any input you can give me.

We would like to thank all our Veterans for their service to our country. We will look at D-Day and Flag Day as a tribute to all of you, young and older. We would also like to say to all Fathers: "Have a happy and healthy Father's Day. May you all have many, many more."

Now that the "season" is over, so to speak, we would like to thank those who helped with all of our doings and never complained. They are Oliveri/Lupo, Robertson, Owen, C/B Ballauer, A/S Ballauer, Puz, Pusateri, Hazell, K. Burke, L. Herron, A. Shoemaker, I. Bardos, K. Law, L. Youngblood, R. Lyle, E. McKiernan, and P. Doyle. And of course, all those attending these events.

Our annual picnic brought out about 40 people. Ed Doyle and new resident Maria Saenz won the 50/50 raffle. Good way to start, Maria. Old hat for Ed, who wins often. We also had a Kentucky Derby party that included a wonderful array of hats. The hat contest winner was Carol Fallon and the Derby winners were Nancy Owen, first place horse, Chris Ballauer, second and Arlene Shoemaker, third. This was one great outing.

Due to major changes in plans our Chairperson for the July 4th picnic will be unable to work on this event. If you would like to step up, please contact a governor.

Kelly McCormick Robertson, Pat and Adam's daughter-in-law, will be traveling to Russia this month to Judge the International Collegiate Diving Championships. Kelly is a two time Olympic medalist and a College, Olympic trials and USA Diving judge. This trip should bring back old memories.

Congratulations to all new high school and college grads. Your parents and grandparents are very proud of you.

Until next time,
Pat Robertson

I can't believe at the end of this month- 1/2 of 2013 is gone. I hope all our northern friends made it safely to the north. Speaking of the north, Ken and I will be leaving the 11th to surprise our granddaughter for her 8th grade graduation. While we are there our other granddaughter has her dance recital and it will also be my grandson's birthday. I guess we will be kept busy with the above and four grandchildren playing softball & baseball. In May we celebrated Mothers' Day, and this month we celebrate Fathers' Day. Many men have sired a child but in the end it is a privilege when a child looks up at you and calls you DAD. I would like to wish all our Fathers in Lexington a very Happy Father's Day.

A reminder to our residents, renters & visitors. This is our home, not a resort hotel. Please follow the rules and remember where you are.

Hurricane season is here, hope all are prepared. Hopefully the Indians will protect us as they have done in the past.

This is the nice time of season, it's QUIET. Have a great month. That's all for now. Remember, don't hesitate to call or email me with any news.

Jefferson House *The Oldest and The Best*

Well another month has past. Hope all the Mom's had a great Mother's Day and now Father's Day is approaching. Hope all the Dad's had fun with their kids and grandkids.

The workers were busy behind our building putting in new water pipes since the old ones are around 42 years old. They seem to know what they were doing thanks to Linda Arseneau. She kept her eye on them and learned all she could about what they were supposed to do. Next project is some work on our elevator. It seems to have a mind of its own and doesn't work when we want it to. The projects are being done this time of year when most of our neighbors are back to their northern homes.

The ladies from Jefferson went to lunch at the Sweet Sage on Gulf Blvd. and had a wonderful time eating and visiting. They will make plans again in the fall when everyone returns for the winter.

Eleanor and Ed Jarrett had a great party for us at Jefferson and we thank them for it. We had such a great time and there was even music and singing.

Joe and Cathy Wos went out for Mother's Day and their daughter Cathy helped celebrate. Their other daughter Pattie and son-in-law John and grandson Christopher live near Chicago so they just Skyped, what a great new invention for all of us who are miles away from each other. Christopher will be "8" in June and he is such a delight and great story teller.

Marge Sansone took a quick trip back home for Mother's Day and returned down here for more warmth and sunshine until she leaves for the summer.

So here's wishing you a happy summer and hopefully we will have a pleasant and quiet summer down here without any bad storms.

So remember to "Chat with the Cat"

Ron & Geri had a busy April with visitors from their home in Newfoundland, Canada. Geri's daughter Susanna, residing in Ottawa, came for the Easter holidays. Ron's son, Ron and family of 4 spent a week following the Easter holidays at Disney. And days later, two friends joined them for another fun filled week.

The "Bobbsey Twins" (better known as Brenda Reardon & Ida Rae) enjoyed their cruise on the Italian ship Poesia. The theater every night was the best ever. Also, they enjoyed talking to the workers and always learn so much. Life is good! Stay tuned for their next adventure.

A couple of reminders:

Effective July 1, 2013 Washington Towers will be a no-smoking building. Smoking of any material including, but not limited to, cigarettes, cigars & pipes is not permitted anywhere in the building & within 20 feet of the outside of the building with 2 exceptions: inside condo units, and cigarettes only may be smoked on the 2nd floor outside deck if there is no social event there. Smokers must immediately remove all used smoking materials & are responsible for any damage they cause. Any questions, please contact one of the governors.

To fit inside our elevator cabs with a minimum clearance to prevent any damage, the maximum size of items to be moved inside our elevators is 33" wide X 81" high X 43" deep. All larger items MUST be moved in the stairways.

Because 2 governors are usually gone and there is little governor business during the summer months, there will be no scheduled governor meetings from June through September. Meetings will be called if needed. Our next scheduled meeting will be Thursday, October 24, 2013 at 7:30 PM.

Summer Fun

PLEASE SHOWER BEFORE ENTERING THE POOLS

In these days when everyone is concerned with using sunscreen to prevent sun damage while at the pools, it is necessary to remember to **ALWAYS** shower before entering the pool when suntan lotion is used. Not only will this help prevent the unsightly ring that forms around the pools, it will also help prevent clogging of the pool filters and skimmers. Sun tan lotion will eventually clog the filters that routine backwashing does not remove, and necessitate replacement of filters, thereby creating an expense that is above and beyond our pool maintenance agreement.

Thank you for your co-operation.

Savvy Seniors Hire Licensed Professionals

Unlicensed Activity is against the law and can cause physical and financial harm. Check to make sure that those who you hire to work on your home hold the proper license(s). Plumbing, AC and roofing are just a few of the services that require a license. Often times unlicensed contractors and scammers prey on Senior citizens. Be a SAVVY SENIOR! Verify Licenses. Hire Licensed Professionals.

Dangers of Hiring an Unlicensed Person

- **Poor qualifications.** Unlicensed persons typically do not have the education, insurance, or qualification required of a licensee.
- **Poor quality work.** Unlicensed contractors typically do poor quality work or do not finish the project, leaving the homeowner to spend more money hiring another contractor to repair or finish the project.
- **Possible criminal background.** Unlicensed persons often have criminal backgrounds that may include fraud, theft, violent crime, sexual offenses, and substance abuse.
- **Likelihood of being the victim of a scam.** Unlicensed persons often disappear after taking your money, leaving you with very few options to help you get your money back or your work completed. Scams in the construction industry, especially home improvement, sadly are, widespread. Con artists pose as contractors and often target vulnerable people and take advantage of homeowners.
- **Limited resources for broken contracts.** When you have a dispute with a licensed contractor, you call the Department, which has the authority to discipline and even revoke the license. This gives the licensee more incentive to play fair. However, this type of action is not available against unlicensed contractors and homeowners often find the only answer is an expensive, and generally futile, civil suit.
- **No insurance and liability for injuries to others:** An unlicensed contractor typically is uninsured and will have no way to pay you back for any property damage. You may end up being liable for personal or financial injuries to others.
- **No coverage under homeowner's policy.** Most homeowner policies require that work must be done by a licensed contractor and provide no coverage for work that is not.
- **Noncompliance with building codes.** Most projects, even small ones, require permits and inspections that unlicensed contractors ignore or are unfamiliar with. If your project isn't permitted or doesn't comply with the building code, you may have to remove or repair the work at your own expense and be subject to fines by local government.
- **Liens being imposed on your property.** You may be subject to liens placed on your property by subcontractors or suppliers.
