FEBRUARY 2014

PRESIDENT'S MESSAGE

As of this writing I would like to think that most if not all of our snow birds have returned to Sea Towers. I wish that you had left the northern weather behind, but welcome back to paradise.

As a point of information, if you find anything around the property that doesn't belong to you, such as an article of clothing, keys, eye glasses, etc. and you don't know to whom it belongs, please turn it in to Cathylee in the Clubhouse. She maintains the lost and found items.

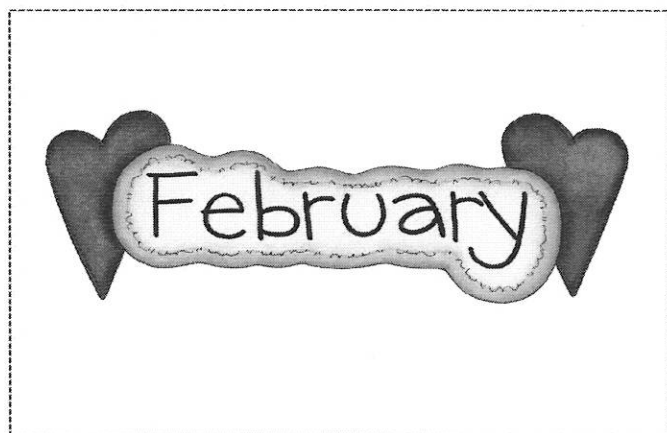

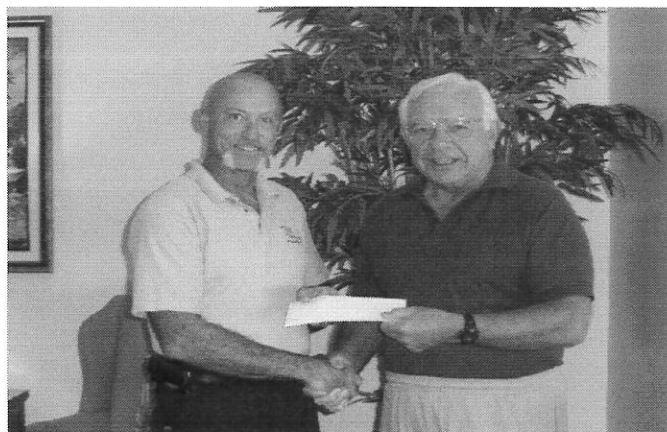

Have a happy Valentine's Day.

Respectfully,

Bob Spri

MANAGER'S CORNER

Welcome to February. This is a special month because it has "Valentine's Day" in it. And although we should do this every day of our lives, Valentine's Day is the day to let your loved one know how much you care for them. February Funnies:

500 Valentine Cards Sent by Desperate Man

Mike walked into a post office just before Valentine's Day and noticed a middle-aged, balding man standing in a corner sticking "Love" stamps on bright pink envelopes with hearts all over them. Then the man got out a bottle of Chanel perfume from his pocket and started spraying scent over the envelopes.

By now Mike's curiosity got the better of him, and so he asked the man why he was sending all those cards. The man replied, "I'm sending out 500 Valentine cards signed, 'Guess who?'"

"But why?" asked Mike.

"I'm a divorce lawyer," the man replied.

Sea Towers Social News

By: Cathylee Kjellstrand-Granucci, M.A.

Happy New Year! We started the year 2014 with so many activities. Sea Towers residents rang in the New Year with an awesome New Years Eve Party. The wonderful Duo Bittersweet provided music for our listening and dancing pleasure.

In January all nine towers worked together to provide beautiful baskets full of fun things to raffle off during the Elegante Junque and Bake Sale held on January 24th. Good job! All during January Dee & Ed Gilbride, Jolynn Weinfurter, Chuck & Tina Czerwinski, Lucille Cambardella, Claire McDonough and other ladies from Central Social were at work in the Clubhouse Lobby to promote the Baskets and the Football Party scheduled February 2nd. Central Social, thanks for all your dedication and hard work in making these two events a success!

On January 10th St. Petersburg General Hospital and Walgreens sponsored a Health Fair in the Clubhouse Auditorium. Over 83 residents attended and over 25 vendors provided health services (for example hearing and blood pressure testing), information, samples, prizes and treats.

On January 15th several things went on at the Clubhouse. The Blood Mobile was here from OneBlood and 13 donated blood that day. It was a record amount for Sea Towers. Please see the Honor Roll Sheet in this issue.

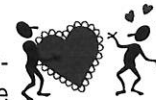

Donuts on the Patio was actually held inside the clubhouse in the Card Rooms, and there was a wonderful turnout for this event. Pictured on the left is Tina Czerwinski helping to keep everything together, as we polished off four dozen donuts and eight large Apple Fritters and over two large pots of coffee. Good job!

SHREDDING FEST!

Monday, February 3rd, Business Records Management will place locked bins in the Clubhouse for Sea Tower residents to deposit papers that need to be shredded. The scheduled date for pickup will be Monday, February 10th (*subject to change*).

Lexington Towers

Here's a recap of the news from Dec.: The 12-25-13 Dinner at the Clubhouse was attended by 36 people. Thank you to all who helped make this a great day for those who could not spend it with family but were able to spend it with friends. Not only did everyone have great food but we had our own private pianist, Mr. Kurt Singer, grandson of Karen & Ken Kennedy who was visiting his grandparents from Canada. Lexington Building had many visitors this month. Jim and Betty Lucas 's daughter Karen and husband David visited from Kentucky, daughter Patty and her son Connor came from Florida's east coast, and daughter Emily from New York also flew in to visit.

Linda and Pearce Ralph (108) had an exciting New Year's Eve. When they arrived at a restaurant on Ulmerton Rd., Linda realized that she didn't have her purse and that she had left it on the wall near the lobby. Everything was in that purse! What a disaster! In a panic they returned and were dismayed that it was not on the wall. Then Linda recalled that she had put her address inside the purse. They went to their apartment and Linda watched her husband's face light up as he found the purse between the doors with the contents intact! They write: "Whoever returned my purse, we thank you from the bottom of our hearts. May the New Year bring you good health, prosperity and all the joy your heart can hold. God bless you." Don't we have wonderful neighbors in Lexington Towers?

The money that the Social Committee donated to Metropolitan Ministries was matched and that enabled 142 families to be served Christmas Dinners.

January starts with cold temps for Florida but still a lot warmer than the North East Coast.

Lexington's get together was Pizza and Salad night. Always a great night when Lexington residents get together. Thought I would mention that Smith and Mary Jenkins are visiting from Arizona for three months. If there are long term renters or new residents on your floor, please invite them to our outings. Please watch the bulletin board for sign-up sheets and agenda for our upcoming events.

Our floor representatives will be collecting a yearly donation from residents so we will be able to continue having great parties and have the ability to donate to help others less fortunate. So as I sign off for this month, a few words of wisdom: "Never chase love, affection or attention. If it isn't given freely by another person it isn't worth having."

Time is like a flowing river, no water passes beneath your feet twice, much like the river, moments never pass you by again, so cherish every moment that life gives you and have a wonderful new year.

Jefferson House *The Oldest and The Best*

Well, here we are at the sweetest month of the year. Even though we think of our sweethearts everyday there is one day this month we want to remind our fabulous spouses that they are very special. If you are blessed as I am with one fantastic husband then you are lucky. He always thinks of me and our daughters first and foremost.

Time is just going by so fast. Mary Ann Dunscombe was in California visiting her family, especially their new addition.

Everyone made it down here safely before the northern storms appeared. Family members were able to visit and make their way back home.

Marge Sansone went on a fabulous cruise with her family right after Christmas and went to San Juan, St. Thomas and a few other ports before returning to Sea Towers. Her grandkids, now all teenagers, had a blast.

We are still trying our best to have our elevator repaired but they seem to keep coming up with more rules and regulations for us to meet by the year 2015.

There are quite a few activities around Sea Towers so remember to check the bulletin boards for the times and places to go and see or just do around here.

So if you have friends and relatives coming to visit let us know.

So until next month ...

Remember to "Chat with the Cat"

All the holiday decorations are put away for another year. Thanks again to the volunteers who put up and took down the beautiful decorations in the lobby and in front of our building.

The ladies luncheon on January 13th was at Carmelita's restaurant and a good time was had by all. Watch the bulletin board for our February luncheon details.

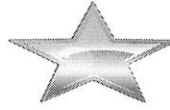

Cruising season is upon us and many neighbors have or are setting sail. Brenda Reardon and Ida Ray went to Cozumel, Mexico and Georgetown in the Grand Cayman's on the Royal Caribbean ship Brilliance of the Sea sailing out of Tampa. They had a wonderful time.

Donna Arenth also sailed out of Tampa with 18 of her lady friends from Georgia on the Norwegian Dawn to Belize, Roatan, and Cozumel.

Happy Birthday this month to Steve Jones, Helen Carns, Ana Gil, Cidalis Correla, Michael Burgess and Carol Beyus. PS: Please forgive the typo spelling of Ida Ray, but the wishes were sincere.

Dates of note in February: Groundhog Day on Feb. 2nd, also the Super Bowl Game the same day, Valentine's Day on the 14th, Presidents' Day on Feb. 17th and the Winter Olympics in Sochi, Russia the 7th thru the 23rd.

Check the bulletin board for the sign-up sheet to host a ladies luncheon. Our first one was at E & E Stakeout on January 21st hosted by Joan Roberts.

Carol Colvin informs us that this month we have a Valentine's breakfast on February 8th at the clubhouse. We'll be serving breakfast casseroles, coffee, juices, Danish & muffins. On February 22nd at 5pm we have our pizza & ice cream party at the clubhouse hosted by Suzanne Porter. Volunteers are always welcome to set up and/or clean up. Our barbeque at the beach house will be Monday the 17th. We light the grills and you bring your food to cook. Come join your neighbors for an evening of fellowship. Make sure to check the bulletin board to sign up for any of these events. Thanks to all the residents who paid your dues. We expect to see you all at our social events!

Columbia Towers "The Gem of Sea Towers"

Happy February everyone. Ronnie and I are enjoying being here at Sea Towers and seeing our friends once again.

February's birthstone is amethyst. February was named after the Latin term februum, which means purification, via the purification ritual Februa held on February 15 in the old Roman calendar. January and February were the last two months to be added to the Roman calendar, since the Romans originally considered winter a monthless period.

We have a great month for things happening. We have Groundhog day. (Good old Punxsutawney Phil). Presidents' Day helps us celebrate two great men, Washington and Lincoln. Valentines day gives us a chance to be lovers.

The floor reps have been knocking on your doors. They want everybody to join the Columbians. It is still only \$5.00 per person and the money is used for the many social activities of the building. Renters are most welcome and encouraged to join.

Priscilla Dougherty had a fabulous trip to Japan last fall. She and Sue Dickenson visited her son Paul, a commander in the US Navy stationed at Yokusuka Naval Base. They stayed at the hotel Tokyo. While there they celebrated Priscilla's granddaughter Laura's seventh birthday. She attends an all Japanese school and is doing very well.

Priscilla found Tokyo an exciting city and enjoyed her 17 day visit with son Paul, daughter-in-law Masae and the youngest of her grandkids, Laura.

We'll be having our annual pancake breakfast for the ladies on Saturday February 22nd. We men will cook for the ladies, serve the ladies and even serenade them afterwards. This breakfast is our time to honor our ladies. The affair is free to all women and the men pay a whopping \$3.00. It's open to all Columbians both owners and renters. Watch the bulletin board for the sign up.

As always I appreciate any and all news for the column.

Heritage House

It is time for roses, hearts, candy and Valentines. Happy Valentine's Day to one and all, as well as those with a birthday or anniversary. As January has flown by, we still have news from December. A great big thanks goes out to Pat Doyle who donated her time to prepare a holiday food basket to be donated to a needy family through the Metropolitan Ministries. We at Heritage felt this was a great cause and were happy to help.

Our Christmas party was well attended and everyone had a great time reminiscing with toys from their childhood, coal in their stockings and a gift grab. Lois Herron, Sue Maxemow, Mary Lou and Russ Hazell and Jim and Rosemary Glogovsky were the big winners. Lillian Youngblood thought she could get away with the last grab of the night, but it didn't happen. We didn't realize she could pout!

Beth and Chris Ballauer hosted a Christmas brunch for anyone who enjoys great food and great company. Once again, the response was over the top.

We will be having our cook-out at the beach house on February 7th at 5:00 p.m. and our annual building pot luck at the February meeting. Please be on the lookout for the upcoming Heritage House anniversary party. This will take place in March.

Collection of social dues has been running a bit slow this year. If you have not yet paid your dues, \$5.00 per person per unit, please do so.

Adam and I would like everyone to know how proud we are of our granddaughters Francesca Marangell, who is doing her medical internship at a hospital in Providence, Rhode Island and Randi Robertson who is about to get her Master's degree in Petroleum Engineering. We love you both.

Until next time,
Pat Robertson

Concord Towers Where the Good Times Begin

As I write this it is the middle of January and many of our Concord winter friends have begun to arrive, or return from visiting "up North" for the holidays. Speaking of "up North", wow, are we glad to be down here because of the very early and hard winter the Northern and Eastern part of the country has been having.

We all need to thank the many residents who helped put up and take down our Christmas decorations, both interior and exterior. Our building and area looked terrific again this year and it would not be possible without your help. We were not here when the decorations went up but were here when they came down and everyone seemed to have a good time in a short period of time. Thanks to the social club for providing coffee, juice and rolls for all us helpers.

Sharyn Janz, our Concord Social Club chairperson, would like to give a big thanks to everyone who contributed to the entertainment basket for the Central Social basket event held in late January. When completed, our baskets looked very impressive with many many items.

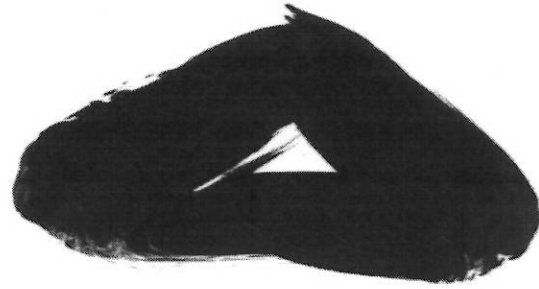

We had a couple of very good meetings in January, our monthly building meeting was very well attended. Chuck Czerwinski, Governor Chairman, wanted to make sure everyone knew how much we appreciated the time and work that Domenick Arico put in as Chairman before leaving in December. He also introduced our new Governor, David Fansler, Secretary. Marlo Kravec continues as Vice Chairman and Treasurer. We all need to thank these three people for volunteering to do these very time consuming jobs. Our building has moved the monthly meetings to the first Thursday after the Federation work shop so we can all be well informed of the upcoming issues that will be presented at the Open council meeting. Everyone had an opportunity to have input and it was a very good meeting.

The Social Club also met in January to finalize some event plans for the season. Again it was very well attended and everyone had great input. There is a complete list of events and information posted in the Social Club glass-covered bulletin board to the right of the elevators. The planned events are as follows: Valentine continental breakfast, Friday Feb. 14th in the Concord lobby 9:30 – 11:00, CSC members free, guest \$3.00, Dinner Out Wednesday Feb. 26th, location and time TBD, pay individual checks at restaurant.

In February the weather should turn warmer and more consistent so everyone enjoy the month and try to attend our events and meetings, we always have a good time because Concord is "where the good times begin."

The View from Hamilton House

Happy Valentine's Day

Love is in the air. St. Valentine is about. Cupid's Quiver full and ready to make you shiver with delight. Yes, still crazy about you, sweetie, after all these years. You may share this sentiment with whomever you wish.

Social Central's new team, Joann Derer and Marie Ipri, wanted to be sure to thank everyone, again, for their donations to the Elegant Junque Sale on Saturday, January 25th. The theme for Hamilton House was, "Italian."

The Elegant Junque Sale hadn't happened before The Chatterbox went to press, but if a look at the raffle baskets in advance were an indication of what was to come, it had to be a smashing success.

OK, maybe "smashing," wasn't the best choice of words. I had this image of someone dropping a vase. However, the words smashing and vase; pronounced with a dollop of English brogue, were in the way of a homage to the British invasion of Jill Brennen's brother and nephew in from Liverpool.

That's the news. Given the brevity of which, allows for a bit of romantic reverie, appropriate for the holiday about how a man walked into my small publishing office one day, years ago. He told me that he had been writing sonnets to his wife for the past 50 years and wanted to publish a book. How could anyone say no to that? We published two books together.

What an incredible journey it was, reading of his early passion (enough to make me blush) and the sweet maturing of his deep love and respect for his wife over a period of 50 years. That has to ring a familiar note here at Sea Towers, with all the hand holding we see.

Happy St. Valentine's Day

Jeff Belyea

Sea Towers' Sirens
Red Hat Society Chapter

The Sea Towers Sirens held their Annual Meeting in the Clubhouse on January 23, 2014. The luncheon was hosted by a committee of our members. Everyone enjoyed the assorted sandwiches and the various cheesecake desserts. A fun auction of Red Hat items netted \$70.50 for our treasury.

New members welcomed to the Sea Towers Sirens are: Lucille Cambardella, Carol Isbister, Patricia Lagenecker, Mary O'Donnell and Jo Weinfurter. We now have 40 members.

Building contacts hosting upcoming events are:

- February—Washington/Brenda Reardon
- March—Heritage/Pat Doyle
- April—Continental/Sharon Munro
- May—Columbia/Carol Newman
- October—Lexington/Dorothy Taylor
- November—Heritage/Pat Doyle
- December—Christmas Party/ Lexington/Claire McDonough
- January 2015 Annual Meeting—Concord/Jean Cuttita

Dates, time and place of events/meetings will be discussed at our monthly functions and posted in the Chatterbox.

Our next luncheon will be February 24th at Middle Ground Grill, 10925 Gulf Blvd. in Treasure Island, at 1:00 P.M. Sponsored by the Washington Ladies, reservations can be made by calling your building contact or Arlene Hansen at 207-838-2829 by 2/21. She is planning some "very special" entertainment.

**PLEASE SHOWER BEFORE
ENTERING THE POOLS**

In these days when everyone is concerned with using sunscreen to prevent sun damage while at the pools, it is necessary to remember to **ALWAYS** shower before entering the pool when suntan lotion is used. Not only will this help prevent the unsightly ring that forms around the pools, it will also help prevent clogging of the pool filters and skimmers. Sun tan lotion will eventually clog the filters that routine backwashing does not remove, and necessitate replacement of filters, thereby creating an expense that is above and beyond our pool maintenance agreement.

Thank you for your co-operation.

Savvy Seniors Hire Licensed Professionals

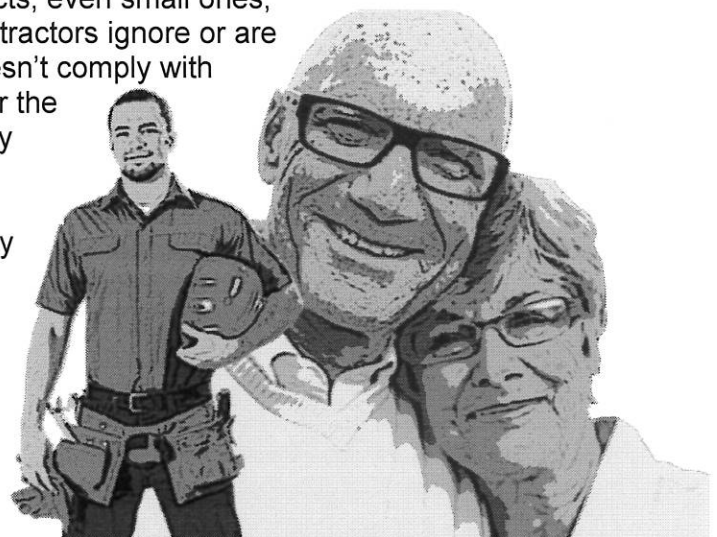

Unlicensed Activity is against the law and can cause physical and financial harm. Check to make sure that those who you hire to work on your home hold the proper license(s). Plumbing, AC and roofing are just a few of the services that require a license. Often times unlicensed contractors and scammers prey on Senior citizens. Be a SAVVY SENIOR! Verify Licenses. Hire Licensed Professionals.

Dangers of Hiring an Unlicensed Person

- **Poor qualifications.** Unlicensed persons typically do not have the education, insurance, or qualification required of a licensee.
- **Poor quality work.** Unlicensed contractors typically do poor quality work or do not finish the project, leaving the homeowner to spend more money hiring another contractor to repair or finish the project.
- **Possible criminal background.** Unlicensed persons often have criminal backgrounds that may include fraud, theft, violent crime, sexual offenses, and substance abuse.
- **Likelihood of being the victim of a scam.** Unlicensed persons often disappear after taking your money, leaving you with very few options to help you get your money back or your work completed. Scams in the construction industry, especially home improvement, sadly are, widespread. Con artists pose as contractors and often target vulnerable people and take advantage of homeowners.
- **Limited resources for broken contracts.** When you have a dispute with a licensed contractor, you call the Department, which has the authority to discipline and even revoke the license. This gives the licensee more incentive to play fair. However, this type of action is not available against unlicensed contractors and homeowners often find the only answer is an expensive, and generally futile, civil suit.
- **No insurance and liability for injuries to others:** An unlicensed contractor typically is uninsured and will have no way to pay you back for any property damage. You may end up being liable for personal or financial injuries to others.
- **No coverage under homeowner's policy.** Most homeowner policies require that work must be done by a licensed contractor and provide no coverage for work that is not.
- **Noncompliance with building codes.** Most projects, even small ones, require permits and inspections that unlicensed contractors ignore or are unfamiliar with. If your project isn't permitted or doesn't comply with the building code, you may have to remove or repair the work at your own expense and be subject to fines by local government.
- **Liens being imposed on your property.** You may be subject to liens placed on your property by subcontractors or suppliers.
